## Information about your Digital Course Pack

Your Digital Course Pack is comprised of courses selected by your school and assessments for each of them. You will have three chances to pass each of the assessments with a score of at least 80% correct in order to pass that course. Take the courses and assessments as assigned by your instructor.

In many of the courses you will be given feedback as you learn, so take advantage of the fact that you can review/replay everything as often as needed. On the Assessments, you will not receive any feedback at all. You may *not* go backwards, nor can you pause during the test. Read the questions carefully and think about the correct answer as explained in the course. Your assessment results are automatically presented to your instructor. **IMPORTANT – DO NOT CLICK AN ASSESSMENT START QUIZ BUTTON UNLESS YOU ARE PREPARED TO CONTINUE.** Clicking that button will activate the timer and count as one of your three chances to pass.

If you have any questions about your account or your course, please email Info@NewsU.org for assistance.
