

## Jennifer Lynn Gay

Department of Health Promotion and Behavior  
College of Public Health  
The University of Georgia  
251E Wright Hall, 100 Foster Road  
Athens, Georgia 30602, USA

Telephone: 706-542-6698 Fax: 706-542-4956 Email: [jlgay@uga.edu](mailto:jlgay@uga.edu)  
Website: <https://ctlsites.uga.edu/jennifer-gay/>

### ACADEMIC HISTORY

**Present rank:** Associate Professor  
**Tenure status:** Tenured  
**Graduate Faculty status:** Appointed to Graduate Faculty August 12, 2011

#### Education

2008	University of South Carolina Columbia, SC	PhD, Health Promotion, Education, and Behavior
2002	University of Nevada, Las Vegas Las Vegas, NV	MS, Sport & Leisure Services
2001	University of South Carolina Columbia, SC	BA, English (with honors from the South Carolina Honors College)

#### Academic Positions

2017-present	<u>Associate Professor</u> , Department of Health Promotion and Behavior, College of Public Health, The University of Georgia, Athens, GA. <u>Adjunct</u> appointment in Department of Kinesiology, College of Education.
2011-2017	<u>Assistant Professor</u> , Department of Health Promotion and Behavior, College of Public Health, The University of Georgia, Athens, GA. <u>Adjunct</u> appointment in Department of Kinesiology, College of Education.
2011-2013	<u>Adjunct Assistant Professor</u> , Division of Health Promotion and Behavioral Sciences, University of Texas Health Science Center at Houston, School of Public Health
2008-2011	<u>Assistant Professor</u> , Division of Health Promotion and Behavioral Sciences, University of Texas Health Science Center at Houston, School of Public Health, Brownsville Regional Campus, Brownsville, TX
2009-2011	<u>Member</u> , Michael & Susan Dell Center for Health Living, University of Texas School of Public Health, Austin, TX
2008	<u>Graduate Research Assistant</u> , Department of Health Promotion, Education, and Behavior, University of South Carolina, Columbia, SC
2008 Spring, Fall	<u>Instructor</u> , Department of Health Promotion, Education, and Behavior, University of South Carolina, Columbia, SC
2006-2008	<u>Graduate Research Assistant</u> , South Carolina Educational Policy Center,

University of South Carolina, Columbia, SC

2005-2006 Research Specialist II, Department of Health Promotion, Education, and Behavior, University of South Carolina, Columbia, SC

2001-2002 Graduate Research Assistant, Department of Sport & Leisure Services, University of Nevada, Las Vegas

### Trainings and Certifications

2021 Certificate in Diversity and Inclusion, University of Georgia Office of Institutional Diversity

2021 Do-It-Yourself Geo Apps, ESRI

2020 Spatial Data Science: The Frontier in Analytics, ESRI

2020 Going Places with Spatial Analysis, ESRI

### Assigned Work Load

	Instruction	Research	Service
Currently (9 month as of August 2011)	37.5%	33.8%	3.7%

## INSTRUCTION

### Courses Taught at UGA

#### College of Public Health, University of Georgia

Social Determinants of Inequalities in Health (HPRB 7160)	Spring 2012
Social & Behavioral Foundations of Public Health (HPRB 7010)	Spring 2012, 2013, 2014 Summer 2014-16, 2018-22, Fall 2014
Research Methods in Health Promotion (HPRB 7160; HPRB 7510)	Fall 2012, 2017-22 Spring 2019-22
Intervention and Evaluation of Health Promotion and Disease Prevention (HPRB 8430)	Spring 2013
Public Health, Physical Activity and Nutrition Interventions (HPRB/KINS/FDNS 7600)	Fall 2012-2018, 2020-22
Doctoral Seminar (HPRB 8990)	Fall 2015, Spring 2016, Fall 2017, Spring 2018

### Other Instruction Experience

#### School of Public Health, University of Texas Health Science Center Houston

Introduction to Program Evaluation (PH1120)	Spring 2010,
---	--------------

2011

Physical Activity Assessment in Individuals and Populations (PH 1498) Summer 2010

### **Arnold School of Public Health, University of South Carolina**

University 101: The Student in the University May 2005  
 Instructor Training, National Resource Center for the First-Year Experience

Teaching Assistant Training January 2006

Preparing Future Faculty (PFF) Certification Fall 2007  
 Center for Teaching Excellence and the Graduate School

Instructor: Personal and Community Health (HPEB 321) Spring & Fall  
 2007

Applied Aspects of Human Nutrition (HPEB 502) Spring 2008

### **Guest Lectures**

21. Working Hard or Hardly Working: The Importance of Occupational Physical Activity for Health. (Summer 2022). Health Policy and Management Doctor of Public Health Seminar, University of Georgia, Athens, GA.

20. Working Hard or Hardly Working: The Importance of Occupational Physical Activity for Health. (July 6, 2021). Health Policy and Management Doctor of Public Health Seminar, University of Georgia, Athens, GA.

19. Intervention Mapping. (February 13, 2020). Human Development and Family Sciences Seminar, University of Georgia, Athens, GA.

18. Illness and Death in the Jewish Religion. (January 28, 2020). Death and Dying, University of Georgia, Institute of Gerontology, Athens, GA.

17. Rethinking Spaces for Physical Activity: Importance of Occupation for Activity and Weight Management. (January 30, 2019). Department of Foods and Nutrition Research Seminar, University of Georgia, Athens, GA.

16. Using Theory in Behavior Change Interventions. (October 2, 2017). Community Health, University of Georgia Medical Partnership, Athens, GA.

15. Changing Health Behavior. (September 19, 2016). Community Health, University of Georgia Medical Partnership, Athens, GA.

14. Physical Activity and Chronic Disease Prevention. (February 3, 2016). Chronic Disease Prevention, University of Georgia, Athens, GA.

13. Physical Activity and Chronic Disease Prevention. (February 3, 2016). Chronic Disease Prevention, University of Georgia, Athens, GA.

12. Promoting Physical Activity at the Community Level. (October 28, 2013). Introduction to Kinesiology, University of Georgia, Athens, GA.

11. Social Class, Privilege and Health Outcomes. (April 17, 2013). Seminar in Public Health, University of Georgia, Athens, GA.

10. Illness and Death in the Jewish Religion. (April 2, 2013). Death and Dying, University of Georgia, Institute of Gerontology, Athens, GA.

9. Changing Health Behaviors. (November 12, 2012). Community Health, University of Georgia Medical Partnership, Athens, GA.
8. Epidemiology of Obesity. (October 17, 2012). Chronic Disease Epidemiology, University of Georgia, Athens, GA.
7. Academic Job Search Process. (October 1, 2012). Health Promotion and Behavior Doctoral Seminar, University of Georgia, Athens, GA.
6. Exercise Science, Health Promotion, Sport Psychology, or All of the Above? (September 10, 2012). Kinesiology Doctoral Seminar, University of Georgia, Athens, GA.
5. Public Health Career Trajectory Discussion. (February 13, 2012). Health Promotion and Behavior 3020, University of Georgia, Athens, GA.
4. Latino Health on the US-Mexico Border. (November 28, 2011). Health Promotion and Behavior Doctoral Seminar, University of Georgia, Athens, GA.
3. Public Health Career Trajectory Discussion. (October 26, 2011). Health Promotion and Behavior 3020, University of Georgia, Athens, GA.
2. Developmental and Contextual Risk Factors of Social Physique Anxiety. (March 17, 2009). Health Promotion and Behavioral Sciences Research Seminar, University of Texas School of Public Health, Houston, TX.
1. Self-Determination Theory. (September 13, 2007). Psychology of Physical Activity, University of South Carolina, Columbia, SC.

## SCHOLARLY ACTIVITIES

### A. Publications

(\*Mentored student co-author. \*\*Invited)

#### I. Peer-Reviewed Journal Articles

69. Alkhoshi EE, Rasheed KM, Arabnia HR, Maier FW, **Gay JL**. (Accepted). Comparisons of machine learning methods for human activity recognition using pseudo-free-living data. In the *Proceedings of the 2022 International Conference on Computational Science and Computational Intelligence*.

## **B. Integration of Public Health Research, Instruction, and Service**

### **Invited Talks**

Working Hard or Hardly Working: The Importance of Occupational Physical Activity to Health. (September 13, 2021). Invited Talk, Communications Studies Colloquium, University of Georgia, Athens, GA.

All Activity Counts: Important Takeaways from the 2018 US National Physical Activity Guidelines. (February 27, 2020). Featured Talk, Southeast Regional Clinical & Translational Science Conference, Callaway Resort and Gardens, GA.

The Importance of Short Bouts of Physical Activity for Health. (August 8, 2019). Grand Rounds, St. Mary's Health Care System, Athens, GA.

The Blue Gym of Coastal Georgia. (September 7, 2018). Marine Extension and Georgia Sea Grant, Brunswick Station, Brunswick, GA.

Keynote Speaker, Physical Activity Measurement for Children and Adolescents. (May 25, 2017). Youth Obesity Undergraduate Research & Extension (Y.O.U.R.E.) Fellowship Training. University of Georgia, Athens, GA.

The Importance of Short Bouts of Activity for Type 2 Diabetes Prevention. (February 27, 2016). 11<sup>th</sup> Annual Cardiac, Vascular, & Stroke Care Conference. Athens Regional Medical Center, Athens, GA.

One Step at a Time: Preventing Diabetes through Fractionalized Physical Activity. (September 9, 2015). Department of Foods and Nutrition, University of Georgia, Athens, GA.

One Step at a Time: Preventing Diabetes through Fractionalized Physical Activity. (May 22, 2015). Friday Science Conference, Athens Regional Medical Center, Athens, GA.

Strategies for Increasing Physical Activity at Work. (February 6, 2015). Department of Kinesiology and Community Health, University of Illinois at Urbana-Champaign, Champaign, IL.

### **Public Health Outreach and Instruction Training**

Panelist. Greenways to Better Health. (October 18, 2018). State of the Public's Health Conference, University of Georgia, Athens, GA.

Instructor. Low Cost Strategies that Connect Citizen Health and Wellness to County Well-Being. (April 28, 2017). Health and Wellness Track, Lifelong Learning Academy Winter Session, Association for County Commissioners of Georgia, Savannah, GA.

Instructor. Low Cost Strategies that Connect Citizen Health and Wellness to County Well-Being. (February 9, 2015). Health and Wellness Track, Lifelong Learning Academy Winter Session, Association for County Commissioners of Georgia, Atlanta, GA.

Presenter and Panel Member. Excellence in Teaching Fully Online Courses: A Brown Bag Panel Discussion. (February 3, 2015). Sponsored by the Center for Teaching and Learning and the Office of Online Learning, University of Georgia, Athens, GA.

Member, WELCOA Physical Activity Challenge Advisory Council. With Gregory Heath and Yosuke Chikamoto. 2014-2015.

Presenter, "Public Health, Physical Activity and Nutrition Interventions: Hybrid and Interdisciplinary" Graduate Instruction in Childhood Obesity: Strategic Planning Conference. (July 24, 2014).

Attendee, Graduate Interdisciplinary Instruction in Obesity and Weight Management: State-of-the-Art Conference. (July 30, 2013).

Panelist, Practice Advisory Group Meeting, University of Georgia College of Public Health. (April 19, 2013).

Presenter, "Putting the pieces together: Goals, objectives and logic models." Webinar through the Georgia Public Health Training Center, University of Georgia College of Public Health, Athens, GA. (June 20, 2012).

Presenter, "Knowing what works: A guide to program evaluation for health promotion professionals." Webinar through the Georgia Public Health Training Center, University of Georgia College of Public Health, Athens, GA. (June 13, 2012).

Presenter. Working together: Identifying stakeholders and group decision-making. Webinar through the Georgia Public Health Training Center, University of Georgia College of Public Health, Athens, GA. (June 6, 2012).

Presenter with C. Baile. Childhood obesity: From biology to policy. Webinar through the Georgia Public Health Training Center, University of Georgia College of Public Health, Athens, GA.. (November 16, 2011)

Presenter with Jennifer M. Mota and Dina Abrego. Results from the Why Are Kids Active Study? Presented at Brownsville Independent School District Physical Education Annual Teacher Training, Brownsville, TX. (August 18, 2011).

Presenter. Why Are Kids Active? Presented at Brownsville Independent School District Physical Education Annual Teacher Training, Brownsville, TX. (August 18, 2010).

Presenter. Being Heart Healthy. Presented to American Association of University Women Harlingen Branch, Harlingen, TX. (February 20, 2010).

Presenter. Being Heart Healthy. Presented to Hadassah Brownsville Texas Chapter, Brownsville, TX. (February 18, 2010).

Presenter. Physical Activity 101: Starting your exercise program. Presented to Texas Department of State Health Services Region 11, Harlingen, TX. (October 14, 2009).

Presenter. Using the Actigraph to Measure Physical Activity. Training workshop at University of Texas School of Public Health, Austin Regional Campus, Austin, TX. (June 10, 2009).

### **Media Coverage**

14. Coverage of recent publication, "Physical activity may curb health care worker burnout" by Lauren Baggett, UGA Today, June 11, 2021. Available at <https://news.uga.edu/physical-activity-health-care-worker-burnout/>.

13. Interview and publication coverage for "Office location linked to body size, study finds" by Lauren Baggett, UGA Today, October 5, 2020. Available at <https://news.uga.edu/office-location-linked-to-body-size-study-finds/>

12. Interviewed for "Outdoor exercise beneficial, especially during COVID-19" by Lauren Baggett, UGA Today, September 9, 2020. Available at <https://news.uga.edu/outdoor-exercise-beneficial-covid-19/>

11. Interviewed for "Physical Inactivity: Unhealthy, And All Too Common In Georgia" by Andy Miller, Georgia Health News. January 20, 2020. Available at <https://www.georgiahealthnews.com/2020/01/physical-inactivity-unhealthy-common-georgia/>

Also covered by WABE 90.1 <https://www.wabe.org/physical-inactivity-unhealthy-and-all-too-common-in-georgia/>

10. Featured in the Association of Schools & Programs of Public Health Newsletter, posted online September 13, 2017. Available at <http://www.aspph.org/georgia-engaging-in-light-physical-activity-at-work-leads-employees-to-skip-activity-at-home-georgia-study-finds/>

9. Coverage of HPRB/KINS/FDNS 7600 Public Health, Physical Activity and Nutrition Interventions students working on joint project with Georgia Health Sciences University UGA Medical Partnership students, posted on UGA College of Public Health Facebook site on October 14, 2014. Available at <https://www.facebook.com/PublicHealthUGA>

8. Coverage of the Physical Activity and Learning Program in UGA Columns, University of Georgia. "Faculty begin after-school enrichment program at 2 Clarke County schools. September 22, 2014. Available at <http://columns.uga.edu/news/article/faculty-begin-after-school-enrichment-program-at-clarke-county-schools/>

Also covered by Flagpole, "UGA fights obesity in Clarke County public schools", October 15, 2014. Available at <http://flagpole.com/news/news-features/2014/10/15/uga-fights-obesity-in-clarke-county-public-schools>.

7. Coverage of published research in Huffington Post Latino Voices, "This could help reduce allostatic load among Mexican Americans", January 9, 2014. Available at [http://www.huffingtonpost.com/2014/01/02/allostatic-load-mexican-americans- n\\_4530894.html](http://www.huffingtonpost.com/2014/01/02/allostatic-load-mexican-americans- n_4530894.html)

Also featured in UGA Columns, University of Georgia, "Exercise reduces disease risk among one Hispanic population", January 31, 2014. Available at <http://columns.uga.edu/news/article/study-exercise-reduces-disease-risk-among-one-hispanic-population/>

Also covered by the University of Georgia, "Research suggests exercise reduces disease risk among Hispanic population", December 23, 2013. Available at <http://news.uga.edu/releases/article/research-suggests-exercise-reduces-disease-risk-among-hispanic-populat/>

6. Interviewed for "Less than 10 minutes of brisk activity helps maintain a healthy weight" by Milly Dawson, Health Behavior News Service. September 5, 2013. Available at <http://www.cfah.org/hbns/2013/less-than-10-minutes-of-brisk-activity-helps-maintain-a-healthy-weight#.Uji0-T8ityE>

5. Interviewed for "Employers can motivate employees to get moving" by Milly Dawson, Health Behavior News Service. July 30, 2013. Available at <http://www.cfah.org/hbns/2013/employers-can-motivate-employees-to-get-moving#.Ugkf4qzNlc8>

Also appeared in "Most Georgians unhealthy, but still ranks well in Southeast" by Andy Miller, Online Athens, Athens Banner-Herald. May 5, 2013. Available at <http://onlineathens.com/health/2013-05-05/most-georgians-unhealthy-still-ranks-well-southeast>

4. Interviewed for "Georgia exercise stats comparatively good" by Andy Miller, Georgia Health News. May 2, 2013. Available at <http://www.georgiahealthnews.com/2013/05/georgia-exercise-stats-comparatively-good/#more-26453>

3. Televised interview with Channel 4, CBS Affiliate, Brownsville, TX on benefits of non-traditional playground equipment for children and ribbon-cutting ceremony of Buena Vida Playground.

2. Interviewed for "Walking is a health trend with legs" by Andy Miller, Georgia Health News. August 14, 2012. Available at <http://www.georgiahealthnews.com/2012/08/walking-health-trend-legs/#more-20505>

1. Televised interview with Brownsville Channel 12 on the building of a new playground and effects on childhood physical activity. With Rose M.Z. Gowen, MD (City of Brownsville Commissioner), & Stephanie Garza (City of Brownsville Grant Writer).

## C. Grants

### External Funding

Partnership for Inclusive Innovation Athens community climate resilience project through technology and transportation innovation A collaborative effort between Athens-Clarke County and UGA to address vulnerabilities related to climate and environmental disasters. Role: Co-I	Tate & D'Angelo (PIs)   Award Amount: \$138,981	07/01/22-09/30/23
--	--	-------------------

Engagement Scholarship Consortium A reciprocal relationship between human and environmental health Continuation for message development and testing to increase the integration of physical activity and litter cleanup	Gay (PI)   Award Amount: \$5,000	08/01/22-6/30/23
---	---	------------------

NSF ATD: Nonparametric testing and fast computing methods for spatiotemporal models with applications to threat detection Develop computation methods to detect spatiotemporal anomalies within large-scale global data of human dynamics.	Ma (PI)   Award Amount: \$415,928.00	08/01/19-07/31/23
--	---	-------------------

Role: Co-PI

### Internal Funding

Teaming for Interdisciplinary Research Pre-Seed Program 11/24/21-06/30-22  
 UGA Space and Planetary Science and Engineering Program  
 Generate preliminary data and research outputs to prepare a submission to the NASA Planetary Science program. Award Amount: \$5,000

### External Funding (Completed)

Georgia Department of Education Tomporowski (PI) 08/01/14-07/31/19  
 Physical Activity & Learning (PAL) Program  
 This program will provide academic and physical activity enrichment activities to children who do not have access to after school programming.  
 Role: Co-PI Award Amount: \$666,193

USDA-NIFA Giraudo (PI) 02/01/16-09/30/18  
 Youth Obesity Undergraduate Research & Extension (Y.O.U.R.E.) Fellowships  
 This funding provides opportunities for undergraduate mentored research in the area of youth nutrition and physical activity behaviors.  
 Role: Co-PI/Co-Project Director Award Amount: \$273,287

American Heart Association Gay (PI) 01/01/13-12/31/15  
 Award Number: 13CRP14370001  
 Working Hard or Hardly Working: Is Occupational Physical Activity Associated with Adiposity?  
 This study investigates the association between objectively measured occupational physical activity with markers of adiposity across 15 labor sectors in city and county government employees.  
 Role: PI Award Amount: \$154,000

¡Salud America!, Robert Wood Johnson Foundation 07/01/09-06/30/11  
 Award Number: 66461 Barroso (PI)  
 Body Image Perceptions among Latinos  
 The aim of this study was to evaluate whether Mexican American families believe that being larger in size is healthier, particularly for children. The second aim was to translate findings into practice recommendations for creating healthy weight messages.  
 Role: Co-Principal Investigator Award Amount: \$75,000

Department of State Health Services, Texas Diabetes Council 07/01/09-06/30/11  
 Subcontract from the University of Texas Medical Branch  
 Award Number: 2011-035171-001 Reininger (PI)  
 Community-based Diabetes Prevention and Control  
 The University of Texas Community Outreach Program trained lay health outreach workers (*promotoras*) to provide individual and family counseling on healthy eating and active living. This program was an intense supplement to the existing community-wide campaign in south Texas.  
 Role: Co-Investigator Award Amount: \$900,000

National Center for Minority Health and Health Disparities 03/01/08-02/28/13  
 Award Number: 5P20MD000170 McCormick (PI)  
 Center for Excellence for Diabetes in Americans of Mexican Descent – Community-based Media Intervention

This core of the program grant implemented and evaluated a community-wide campaign to improve nutrition and physical activity behaviors among Mexican American residents of south Texas.

Role: Co-Investigator 2009-2011

Award Amount for Core: \$239,600 annually

Texas Department of State Health Services – Office of Border Health 03/01/10-08/31/11  
Award Number: 2010-034871-001 Gay (PI)

FREE Play: Fun Recreational Educational Entertainment Play for Children on the Border

This grant funded the transformation of a vacant lot adjacent to the Brownsville Department Parks and Recreation building into an innovative and active playground for children. The playscape addressed muscular strength, endurance and flexibility. More than 25% of the equipment is accessible to children with disabilities.

Role: PI

Award Amount: \$298,288

### Internal Funding (Completed)

Presidential Interdisciplinary Seed Grant Thapa (PI) 07/01/19-12/31/20

Childhood-obesity policy implementation and built environment in Georgia: An agent-based modelling approach to assess policy impact on childhood obesity with improved built environment in communities across Georgia

Role: Co-I

Award Amount: 145,833

Junior Faculty Research Grant, University of Georgia 07/01/16-06/30/18  
Office of the Vice President for Research PI: Gay

Seated Active Workstations for Office-Based Female Employees: An Intervention to Decrease Sedentary Time and Improve Occupational and Mental Health

The purpose of this feasibility trial is to test the acceptability of seated active workstations, and the impact of increased work-related activity on productivity, fatigue, and other mental health outcomes.

Role: PI

Award Amount: \$9,994

Co-Investigators: Michael Schmidt (Department of Kinesiology)

Clinical Translational Research Unit, UGA Sattler (PI) 01/01/16-06/30/16

Effect of a physical activity and healthy eating intervention compared to a mindful eating intervention on biomarkers of cancer prognosis in overweight and obese breast cancer survivors.

This is a pilot project to provide preliminary data for an R01 application to conduct a larger trial of mindful eating and alternative physical activity intervention strategies among breast cancer survivors.

Role: Co-PI

Award Amount: \$29,886

Clinical and Translational Research Unit PI: Gay 11/01/15-06/30/16

Pilot Study to Test the Effect of Fractionalized Vigorous-Intensity Activity on Acute Glucose in Adults at Risk for Type 2 Diabetes

The aim of this pilot study is to test the impact of two different fractionalized activity protocols on acute glucose control in adults at risk for type 2 diabetes.

Role: PI

Award Amount: \$30,000

Active Learning for Health and Wellness

Learning Technologies Grant Award PI: Orpinas

Center for Teaching and Learning, University of Georgia 07/01/15-06/30/16

To create flipped classroom and online learning content and activities for undergraduate students in the Department of Health Promotion and Behavior.

Role: Consultant

Award Amount: \$18,031

Junior Faculty Research Grant, University of Georgia

07/01/13-06/30/15

Office of the Vice President for Research PI: Gay  
 Geospatial Assessment of Time Spent Outdoors for Work and Occupational Physical Activity  
 This pilot study uses GPS monitors to examine geographic patterns of movement during occupational and leisure-time activity, particularly those working in field as opposed to office positions.  
 Role: PI Award Amount: \$9,988  
 Co-Investigators: Marguerite Madden (Department of Geography)

Bridging the Gap between Public Health and Medical Education at UGA  
 Innovative Instruction Faculty Grant  
 Office of the Vice President for Instruction, University of Georgia 07/01/13-06/30/14  
 Awarded, with Dr. Laurel Murrow at Georgia Regents University/UGA Medical Partnership, to develop joint public health and medical education activities.  
 Role: PI Award Amount: \$5,000

Salud! Culturally-Appropriate, Life Skills Activities for Latino Families  
 Office of Diversity Programs, University of Georgia 07/01/12-06/30/13  
 This program provided facilitated physical activities for younger children of families participating in *Familias Fuertes*, a youth violence prevention program. The activities were designed to facilitate communication and be done as a family.  
 Role: PI Award Amount: \$1,500  
 Co-Investigators: Pamela Orpinas, Gwenn Powell

DawgsWORK Program PI: Ellen Evans  
 University System of Georgia Wellness Mini-Grant 2013-2014  
 This pilot study will test the feasibility and sustainability of a curriculum-based health coach model to improve lifestyle behaviors among university employees.  
 Role: Co-Investigator Award Amount: \$10,000

DawgsMOVE: Managing Obesity Via Exercise  
 Faculty Pilot Research Grant, University of Georgia 07/01/13-06/30/14  
 The goal of this study is two-fold: 1) assess baseline associations between occupational physical activity and diabetes risk across a range of working adults, and 2) to test the feasibility and potential for sustainability of a worksite wellness model using health coaches trained in a weight management curriculum.  
 Role: Co-Principal Investigator  
 Award Amounts: College of Public Health \$8,000; College of Education \$5,000  
 Co-Investigators: Ellen Evans (Co-PI, Department of Kinesiology), Mark Wilson

Physical Activity & Learning (PAL) Program PI: Tomporowski  
 Bridge Funding, Obesity Initiative, University of Georgia 05/12/14-08/15/14  
 Funding to cover program and evaluation planning for the PAL program in the summer leading up to the first implementation year.  
 Role: Co-I Award Amount: \$3,821

#### **D. Recognitions, and Outstanding Achievements**

Creative Teaching Award, University of Georgia	2022
Online Teaching Award, College of Public Health, University of Georgia	2022

---

Career Center Recognition for supporting students' career development and success, University of Georgia	2014-16, 2018, 2021
Provost's Affordable Course Materials Grant	2021
American Journal of Health Promotion Editors Picks Paper of the Year 2018 for Wolff et al. 2018. (see article #43).	2019
Public Service and Outreach Faculty Fellow, University of Georgia	2018-19
Office of Online Learning Faculty Fellow, University of Georgia	2018-19
Selected for UGA Focus on the Faculty story, published January 30, 2017, <a href="http://www.uga.edu/faculty/profile/jennifer-gay/">http://www.uga.edu/faculty/profile/jennifer-gay/</a>	2017
Article selected for March 2016 Authors Series webinar presentation for the American Journal of Health Promotion, February 23, 2016	2016
Center for Teaching and Learning Teacher of the Week (February 15; <a href="http://ctl.uga.edu/teacher-of-the-week/jgay">http://ctl.uga.edu/teacher-of-the-week/jgay</a> )	2016
Trained in Quality Matters Design Standards for Online and Blended Courses, Office of Online Learning, University of Georgia	2015
Article selected as an International Journal of Environmental Research and Public Health "Golden Collection" for one of the highest visibility/downloaded articles (see Publication #15)	2014
First-authored article (see #17) selected by the Society for Public Health Education for continuing education and professional development designation.	2013
Provost Travel Funds, University of Georgia	2013, 2012
Outstanding Research Paper Presentation, Texas Public Health Association, Houston, TX	2011
Fellow, Physical Activity and Public Health Postdoctoral Research Course, Centers for Disease Control and Prevention and the University of South Carolina Prevention Research Center	2009
Best Social Science Research Poster Carolina Women's Health Research Forum, Columbia, SC	2008
Delta Omega Society, Mu Chapter, National honorary public health society, University of South Carolina	2008
2007-2008 Outstanding Doctoral Student Award, Department of Health Promotion, Education, and Behavior, Arnold School of Public Health, University of South Carolina	2008

## E. Research Areas

Physical activity and public health; Built environment and social contexts of physical activity in children, adolescents and adults. Occupational physical activity and health benefits. Growth and maturation as indicators of decreases in physical activity. Measurement and methodological issues in physical activity research. Program evaluation.

## F. Supervision of Student Research

Research Mentor – Undergraduate	Research Mentor – Graduate	MPH Capstone/MS Thesis Committee	Doctoral Comprehensive Exam Committee	Doctoral Dissertation Committee
25	4	41	11	14

\*Includes students from University of Georgia, University of Texas Health Science Center, University of South Carolina. Chaired 6 Dissertation Committees, including 1 current student.

## G. Conference Presentations

### International

Alkhoshi EE, Rasheed KM, Arabnia HR, Maier FW, **Gay JL**. (2022). Comparisons of machine learning methods for human activity recognition using pseudo-free-living data. Paper presentation at the 2022 International Conference on Computational Science and Computational Intelligence, Las Vegas, NV.

Carmichael K, O'Connor P, & **Gay JL**. (2022). Is a short bout of activity as good as a long bout for mental and physical energy and fatigue in young adults? Virtual oral presentation at the International Society of Behavioral Nutrition and Physical Activity Annual Meeting, Phoenix, AZ.

Monsma EV, **Gay JL**, Torres-McGehee T. (2016). Body image and psychological functioning of female collegiate cheerleaders. Poster presentation at the North American Society for the Psychology of Sport and Physical Activity Annual Conference, Montreal, Canada.

**Gay JL**, Symposium Chair. (2014). Systems Science and Physical Activity: Coordinated Approaches for Changing Behavior. Symposium panel: Deborah Carvalho Malta from Brasil Ministério da Saúde; Jim Sallis, PhD, University of California, San Diego; Wendy Brown, PhD, University of Queensland, Australia; Stephanie Broyles, PhD, Pennington Biomedical Research Center. 5<sup>th</sup> International Congress on Physical Activity and Public Health, Rio de Janeiro, Brazil.

**Gay JL**, LoPilato, AC\*. (2014). Motivational and ecological profiles of insufficiently active adults associated with future physical activity behavior. Oral presentation at the 5<sup>th</sup> International Congress on Physical Activity and Public Health, Rio de Janeiro, Brazil.

**Gay JL**, Salinas JJ, Buchner DM, Mirza S, Kohl, III HW, Reininger BM, Fisher-Hoch SP, & McCormick JB. (2012). Meeting physical activity guidelines is associated with lower allostatic load and inflammation among Mexican American adults. Oral presentation at the International Society of Behavioral Nutrition and Physical Activity Annual Meeting, Austin, TX.

**Gay JL**, Kohl, III HW, Trevarthen G\*, Salinas JJ, McCormick JB, & Fisher-Hoch SP. (2012). Contribution of occupation to high doses of light-intensity activity among Mexican American adults. Poster presentation at the International Society of Behavioral Nutrition and Physical Activity Annual Meeting, Austin, TX.

Skala KA\*, **Gay JL**, Springer AE, Kohl III HW, Sharma S, & Hoelscher DM. (2012) *Sport participation and dietary behaviors among Texas 4<sup>th</sup> graders*. Poster presentation at the International Society of Behavioral Nutrition and Physical Activity Annual Meeting, Austin, TX.

Reininger B, Arcari C, Brown HS, Wilson K, Smith K, **Gay J**, Mitchell-Bennett L, & Welsh R. (2012). *Impact of community health workers to improve nutrition and physical activity behaviors in underserved communities*. Poster presentation at the International Society of Behavioral Nutrition and Physical Activity Annual Meeting, Austin, TX.

Perreault M\*, Monsma EV, **Gay JL**, & Seiler B\*. (2012). *Athletic trainers and athletes don't see eye to eye when it comes to imagery content: The factor structure of the Imagery Use by Athletic Trainers Questionnaire (IUATQ)*. (2012). Poster presentation at the North American Society for the Psychology of Sport and Physical Activity Annual Conference, Honolulu, HI.

**Gay J**, Saunders R, Dowda M, & Evans A. (2010). *Environmental and policy determinants of children's physical activity in residential children's homes*. Poster presentation at the 3<sup>rd</sup> International Congress on Physical Activity and Public Health, Toronto, Canada.

**Gay JL**, Saunders RP, Dowda M. (2010). *Perceptions of the built environment moderate relationship between exercise and autonomy, competence, and relatedness*. Poster presentation at the 3<sup>rd</sup> International Congress on Physical Activity and Public Health, Toronto, Canada.

**Gay JL**. (2009). *Expanding the definition of environment within self-determination theory*. Poster presentation at the North American Society for the Psychology of Sport and Physical Activity Annual Conference, Austin, TX.

**Gay JL**, Torres-McGehee T, & Monsma EV. (2009). *Validity and reliability of maturity offset in post-menarcheal female athletes*. Oral presentation at the North American Society for the Psychology of Sport and Physical Activity Annual Conference, Austin, TX.

Torres-McGehee T, Monsma E, & **Gay JL**. (2009). *Eating disorder risk: Physical, psychological and contextual factors among female collegiate equestrian athletes*. Poster presentation at the North American Society for the Psychology of Sport and Physical Activity Annual Conference, Austin, TX.

Monsma EV, **Gay JL**, & Torres-McGehee T. (2008). *Exploring growth, maturation, and social physique anxiety in female athletes*. Poster presentation at the North American Society for the Psychology of Sport and Physical Activity Annual Conference, Niagra Falls, ON.

Smith A, Torres-McGehee T, Monsma E, & **Gay J**. (2018). *Prevalence of eating disorder risk and body image perceptions of collegiate cheerleading coaches*. Presented at the Ohio Athletic Trainers Association Meeting and Clinical Symposium, Dublin, OH.

Tompsonowski PD, McCullick B, Schwanenflugel P, Carr M, **Gay J**. (2015). *Physical Activity and Learning: Moving children in the right direction*. Oral presentation at the UGA Institute on Teaching and Learning, Athens, GA.

Prizer LP\*, **Gay JL**, Emerson KG. (2013). *Disability and age related to physical activity*. Poster presentation Georgia Public Health Association Annual Meeting, Atlanta, GA.

Skala KA\*, **Gay JL**, Springer AE, Kohl III HW, & Hoelscher DM. (2011) *Sport participation and dietary behaviors among Texas 4<sup>th</sup> graders*. Poster presentation at The National Center for Human Performance Annual Meeting, Houston, TX.

Smith KL, Reininger B, Arcari CM, **Gay J**, Mitchell-Bennett L, Siller J, Martinez M, & Peters P. (2011). *Promotoras Changing Communities: Diabetes Prevention and Control*. Oral presentation at Texas Public Health Association, Houston, TX.

Mota JF\*, **Gay JL**, Barroso CS, Kohl HW, & Reininger BM. (2010). *Examining seasonal variation in physical activity among low-income Hispanic walk-trail users in the Cameron Park Colonia*. Poster presentation at the United States-Mexico Border Bi-National Health Week, Brownsville, TX.

Monsma EV, **Gay JL**, & Torres-McGehee T. (2008). *Developmental and contextual risks of social physique anxiety among adolescent female athletes*. Poster presentation Carolina Women's Health Research Forum, Columbia, SC.

### **Under Review**

S D\*, Wang Y\*, Liu J, & **Gay JL**. Enhancing health well-being and marine preservation through goal facilitation: an elicitation survey characterizing physical activity and pro-environmental behavior pairs among coastal residents in the U.S. Submitted for presentation at the 73rd Annual International Communication Association Conference.

Alkhoshi EE\*, Rasheed KM, Arabnia HR, Maier FW, **Gay JL**. Comparisons of machine learning methods for human activity recognition using pseudo-free-living data. Submitted for presentation at the 9th Annual Conference on Computational Science & Computational Intelligence (CSCI'22).

## PUBLIC SERVICE

### Membership in Professional Organizations

Member, Society of Behavioral Medicine	2009-2021
Member, International Society of Physical Activity and Health	2010-present
Member, American Heart Association	2015-2018
Member, International Society of Behavioral Nutrition and Physical Activity	2012
Member, American College of Sports Medicine	2008-2009
Member, Association for Applied Sport Psychology Special Interest Group for Exercise and Health Psychology	2007-2009
Member, North American Society for the Psychology of Sport and Physical Activity	2007-2011
Member, American Public Health Association	2006-2012

### Professional Service

<u>Chairperson</u> , Oral presentation session on Built Environment for Physical Activity among Children. International Society of Behavioral Nutrition and Physical Activity Annual Meeting, Austin, TX.	2012
<u>Chair</u> , Interventions Council, International Society of Physical Activity and Health	2010-2014
<u>Guest Editor</u> , Journal of Physical Activity and Health Special Issue: <i>Building Capacity – Celebrating 16 Years of Physical Activity and Public Health Training Courses</i> . Published in 2011.	2010-2011

### Reviewer – Grants

National Institute of General Medical Sciences, NIH, Behavioral Sciences SuRE First Program	2022
Centers for Disease Control and Prevention, Special Emphasis Panel, RFA DP20-001 - National Center for Chronic Disease Prevention and Health Promotion (NCCDPHP) Assessing the Burden of Diabetes By Type in Children, Adolescents and Young Adults (DiCAYA)	2020
American Heart Association, Behavioral Sciences – Population Standing Peer Review Committee	2016-2020
Health Research Board, Ireland, ad hoc review	2017
Centers for Disease Control and Prevention, Special Emphasis Panel, DP15-001 – Natural Experiments of the Impact of Population-Targeted Health Policies to Prevent Diabetes	2015

Texas Department of State Health Services, Transforming Texas, Healthy People in Healthy Communities 2011

National Institutes of Health Challenge Grants 2009

### **Ad Hoc Reviewer – Journals**

Annals of Behavioral Medicine, Preventive Medicine, Journal of Sport and Exercise Psychology, Psychology of Sport and Exercise, Journal of Physical Activity and Health, Current Issues in Education, BMC Public Health, Public Health Nutrition, Health Education & Behavior, Journal of School Health, International Journal of Sport and Exercise Psychology, American Journal of Industrial Medicine, Medicine & Science in Sports & Exercise, Translational Behavioral Medicine

### **Ad Hoc Reviewer – Annual Meeting/Conference Abstracts**

International Society of Behavioral Nutrition and Physical Activity, Society of Behavioral Medicine, American Public Health Association, South Carolina Public Health Association

## **OTHER SERVICE**

### **University of Georgia**

2022-present Vice Chair, IRB 1 – Social and Behavioral Sciences  
Committee Member since January 2022, Ad Hoc Reviewer since 2018

2021-2022 Task Force on the Future of Teaching and Learning

2021 Search Committee for Global Health Communication Faculty position in the Department of Communications

2020-present University Libraries Committee

2019-present Obesity Initiative Advisory Committee

2018-present Human Research Protection Program Policy Committee, Institutional Review Board

2017-present President's Faculty Advisory Committee

2016-2022 Faculty Admissions Committee

2017-19, 2021-22 Chair, Faculty Admissions Committee

2020 COVID-19 Research Working Group

2019-20 Unit Review Committee Co-Chair, Recreational Sports

2016-21 Alternate Member, Institutional Review Board

2014 Reviewer, Hatch Research Project Proposal, Department of Foods and Nutrition and College of Agricultural and Environmental Sciences, University of Georgia

2014 Reviewer, Innovative Instruction Grants, Office of the Vice President for Academic Affairs

2013 Search Committee Member for the position of Director of the Office of Online Learning

2013 Search Committee External Member for Assistant Professor Position in the Department of Foods and Nutrition, College of Family and Consumer Sciences

2012-13 Member of the eLearning Commons2 Early Adopters Program, Center for Teaching and Learning

2013-2016 Member of the Obesity Initiative Instruction Team

2013-15 Advisory Board Member, Center for Physical Activity and Health

### **College of Public Health**

2022 Integrated 7010 Planning Committee

2021-present Online Learning Committee

2020 Ad Hoc Member of HPAM Promotion and Tenure Committee

2016-2020 Graduate Education Committee (formerly MPH Committee)

2012-2014 CEPH Reaccreditation Committee

### **Department of Health Promotion and Behavior (HPB)**

2020 - present Member, HPB Promotion and Tenure Committee  
 2011 - present Member, HPB Graduate Faculty  
 2020 Third Year Review Committee  
 2015 Chair, Research Seminar Planning Committee

### **Other University, State and Local Community Service**

Mentor, Young Dawgs Program providing research experiences to high school students	2022
Mentor, Georgia CTSA's TEAMS (Translational Education and Mentoring in Science) program	2020-present
