EDUCATION

BACHELOR OF LANDSCAPE ARCHITECTURE

University of Georgia | August 2018 - May 2023

- Minor in General Business
- Certificate in Sustainability

RELEVANT EXPERIENCE

LANDSCAPE ARCHITECTURE INTERN

LandDesign | May - August of 2022 | Charlotte, NC

- Collaborated with project team to produce schematic and construction design sets for multi-family and mixed-use commercial developments for sites throughout Texas, North Carolina, and Florida.
- Worked among a small team of interns in the Washington D.C. office to design a mixed-use urban center and rooftop amenities, culminating in successfully pitching design concepts and presenting proposals to the five LandDesign offices and key community stakeholders.
- Enhanced technical skills in AutoCAD, LandFX, Adobe Suite, and plant palette curation, while elevating interpersonal skills in creative problem-solving, effective communication, and adaptability.

LEAD LANDSCAPE DESIGNER- MOULTRIE BOYS AND GIRLS CLUB

Moultrie Boys and Girls Club | University of Georgia Archway Partnership | January 2023 - Present

- Creating flexible outdoor courts for children aged 5-12 that unite play, education, and LEED initiatives, as the culminating project for the sustainability certificate capstone program.
- Developed strong client interaction skills through regular communication with club stakeholders and the Archway Partnership liaison via weekly calls and site visits.
- Advanced teamwork skills by partnering with two students of interior design and integrated arts backgrounds, working together to achieve a cohesive design approach throughout the club.

TYBEE ISLAND SERVICE PROJECT

University of Georgia/Tybee Island City Council | August - December 2021

- Partnered with city officials to develop a master plan that emphasized resiliency and connectivity.
- Conducted a sea-level rise survey on the island through ArcGIS mapping and community engagement, resulting in the presentation of effective flood mitigation strategies to the city council.

KIMLEY-HORN DESIGN CHARRETTE

University of Georgia/Kimley-Horn | January 2022

- Worked collaboratively with a team of four to develop a schematic park design for a 15-acre site in south Florida, emphasizing the preservation of mangrove trees and the fulfillment of community needs.
- Collaborated with Kimley-Horn and sponsoring company professionals to analyze site conditions, develop design expectations, and select specialized materials for the final design.

LEADERSHIP + INVOLVEMENT

SUSTAINABILITY COORDINATOR

Kappa Alpha Theta; Gamma Delta Chapter | January 2021 -2022

- Fostered a strong partnership between the University of Georgia Office of Sustainability and Gamma Delta Chapter of Kappa Alpha Theta, attending monthly meetings to facilitate communication.
- Spearheaded the planning and execution of committee events and meetings, while also leading a high-impact fundraiser that generated \$1400 in support of the "Keep Athens Beautiful" foundation.

CAPTAIN OF PHILANTHROPY DANCE TEAM

Kappa Alpha Theta; Gamma Delta Chapter | August - October 2019, 2020, 2021

- Directed and trained a team of 35 female dancers to perform a charity routine for the Sigma Delta Tau "Greek Grind" fundraiser, generating financial support for U.S. child abuse prevention programs.

GEORGIA STUDENTS OF LANDSCAPE ARCHITECTURE MEMBER

University of Georgia/American Society of Landscape Architects | August 2019 - Present

- Demonstrated commitment to professional development through participation in the A.S.L.A. and LABash conferences.
- Regularly attended club meetings and events to expand knowledge and network with peers.

AWARDS

UNIVERSITY OF GEORGIA CLASSIC SCHOLARSHIP

University of Georgia | August 2018 - May 2022

- Awarded a four-year scholarship based on a strong academic record.
